

Spark Grant

Madison County Community Foundation

Organization Overview*

Please share what your organization does and how this concept relates to and/or enhances your mission.

Character Limit: 3500

Project Name*

Character Limit: 100

Concept Summary*

Please summarize your concept, be sure to include which focus area(s) the project/program will address.

Character Limit: 3500

Key Staff*

Please list staff, their area of expertise and their role in this program/project.

Character Limit: 2000

Community Benefit*

Please explain how this concept will benefit Madison County. If you have data to corroborate this, please include.

Character Limit: 3500

Collaboration*

Please note collaboration is not a requirement, however concepts that incorporate cooperation and collaboration among multiple organizations will receive special consideration.

If you plan to collaborate with community partners, please explain their role in the project/program.

If you do not plan to collaborate, explain how your organization will address the focus areas internally.

Character Limit: 2500

Total Program Cost*

Character Limit: 20

Concept Budget*

Please upload a (preliminary) itemized budget for the total project. A formalized budget will be required during the application process.

Include amounts each organization will need.

File Size Limit: 5 MB

If your concept included collaborative partners, please upload a letter from **EACH** organization to confirm their commitment. The letter should include what the organization's responsibility will be, how much (if any) they are investing in the program/project, and a signature from the CEO or Executive Director.
