

MADISON COUNTY COMMUNITY FOUNDATION

Community Impact Grants

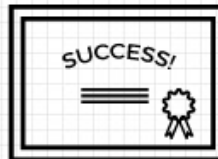

Annually, the Board of Directors approves the amount of money that may be distributed for grants. This money comes from the investment earnings from our Unrestricted Endowment Fund.

Grants Committee reviews applications online and meets to determine funding recommendations. Grant recommendations must be approved by MCCF's BOD.

You will be notified if you have been selected as a grant recipient. Recipients will receive a follow-up email with their grant agreement. Grant award period is typically one year from the date of the award.

You will also be notified if your application has been denied. Applicants will receive a letter including feedback from the committee regarding their application.

Grants are made on a reimbursement basis- reimbursement forms and receipts showing expenditures are to be submitted to the Foundation to receive payment for a grant.

You are required to complete a "Post Grant Evaluation" for all grants. This must be completed prior to applying for a new grant.
