The Madison County Community Foundation (MCCF) is a nonprofit organization that exists to enhance the quality of life of the citizens of Madison County by attracting charitable gifts, making philanthropic grants, and providing financial stewardship and community leadership. MCCF's principal function remains serving donors and their community.

We are a tax-exempt 501(c)(3) organization providing donors with flexible, efficient, and tax-effective ways to ensure that their charitable giving achieves the greatest possible impact. MCCF receives gifts from individuals, families, organizations, corporations, and other foundations. Community foundations pool gifts, both large and small, to meet local needs, build the community's capacity to help itself, and improve the quality of life for all its residents.

Because community foundations know and understand local needs, they are especially suited to educate and help people with their charitable contributions through personalized service and local expertise. Donors gain access to the community foundation's professional staff to learn about community needs and to identify innovative and effective community projects.

These characteristics make community foundations ideal for administering philanthropic funds. Donors can create funds now or in the future in their will through their estate planning. MCCF has more than 65 scholarships available to local students. Scholarships are great for donors wishing to invest in Madison County through higher education. Each scholarship has its own purpose, selection and eligibility criteria and was made possible by the generosity of our donors. All scholarships are competitive and recipients are blindly (*without reference to personal information*) selected based on the pool of qualified applicants.

HOW TO APPLY

STUDENTS

MCCF offers scholarships for graduating high school seniors, current college students, and home-schooled students who are seeking a post-secondary credential.

PREPARE:

All scholarship applications are online using a Common Application and require the following:

- ☒ Student contact information
- ☒ Last four digits of your social security number in order to create your applicant ID number
- ☒ Your guidance counselor's email address to request your transcript
- ☒ List of employment, community service, and extracurricular activities
- ☒ Digital headshot, this will be used in the event you are awarded a scholarship (no selfies)

APPLY:

Access the online application by visiting [madisonccf.org](https://www.madisonccf.org)

- ☒ Create an account on MCCF scholarship portal using a permanent (not school issued) email address
- ☒ Complete the Universal Application. This will generate a list of scholarships for which you are eligible based on your answers
- ☒ Complete any required additional supplemental materials, such as essay response, recommendation form, financial need information
- ☒ Proofread your final work and submit your application online

1. Please be sure to read the list of scholarships on the following pages to determine your eligibility and the scholarships' requirements. Each scholarship is listed on pages 6-20 and is categorized by the following: for students graduating from a Madison County high school, Madison County high schools, Madison County high school graduates (current or past), college students, and scholarships for home-schooled students. Scholarships are also listed on the MCCF website at <https://www.madisonccf.org/> under "Scholarships."
2. Visit our website at <https://www.madisonccf.org/scholarships> to access the online application. When you go to the MCCF scholarship portal for the first time, you will be asked to create a new account using your personal email (NO school email addresses!) and a unique password. Please be sure to keep track of your log-in information. You will need it when you want to edit or submit an application.
3. Please read all application instructions. The MCCF Common Application allows students to fill out a single application, saving time as they are matched to scholarships in the Fund Eligibility section of the application.

A scholarship application will only be considered when it has been completed by meeting all the requirements and submitted by the deadline on MARCH 15, 2024 at 11:59 PM.

FREQUENTLY ASKED QUESTIONS

Who is eligible to apply?

Each scholarship fund has specific eligibility criteria defined by the donor when the fund was established. Please read through the scholarships to see if you are eligible on pages 6-20 of this guidebook.

How do I apply?

Visit our website at www.madisonccf.org/scholarships to access the Universal Application once it becomes available online on **January 15, 2024**. Information regarding MCCF scholarships will be sent from your guidance office as well.

How are scholarship award amounts determined?

Scholarship grants are generated from the income earned from endowed (permanent) funds administered by MCCF and are based on a percentage of income earned. Most scholarships offer varying award amounts, with a minimum of \$1,000 being awarded.

Can I apply for scholarships if I am a 21st Century Scholar?

Yes, however MCCF scholarships can only be used for tuition and required fees. In many cases, tuition and fees are completely covered by your 21st Century Scholarship.

Is it required that I share my financial information?

You must fill out all sections to submit the Universal Application, but applicants have the ability to opt out of applying for financial-need based scholarships if you do not wish to share financial information.

Can I receive more than one scholarship?

Yes. It is possible to receive more than one scholarship.

Can I use my scholarship at any school?

No. Some scholarships have specific requirements about what universities they can be paid to. Each scholarship gives details about requirements they have regarding what schools they can be used at.

When will I be notified?

High school recipients will be notified via email in mid-April. Recipients will be acknowledged during Senior Award Programs at their schools.

What are my responsibilities if I receive a scholarship?

You will receive an email with instructions and information required to accept your scholarship. This will include your college student ID #, college email address, and a thank you note to the scholarship fund representative. Payment will not be sent to your school for fall unless a thank you note is received by the foundation.

If I am awarded a scholarship, do I get the check?

No. Award checks are made payable to the institution before the beginning of the fall semester. Payments will be made in one installment at the beginning of the fall semester, to be split evenly for the school year by your school. Unspent funds should be returned to MCCF.

What if I change schools?

If you are awarded a scholarship, please contact MCCF immediately to determine whether your scholarship is transferrable.

What kinds of costs can my scholarship cover?

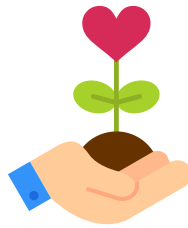

All CFHC-administered scholarships must be used for tuition and required fees, unless otherwise outlined in the scholarship description.

What if I have additional questions?

You can always check the status of your application and whether your third-party requests have been submitted by logging in to your scholarship portal. If you are a current high school student and still have questions after checking your portal, first contact your school counselor or Kari Sisk, MCCF Vice President of Programs.

MCCF Scholarship Program

Every aspect of the MCCF Scholarship Program is carefully executed to ensure the donor's charitable wishes are fulfilled, recipients are impartially selected, and timely payments are made.

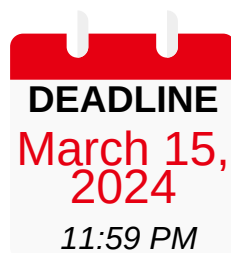

Each donor establishes their own criteria at the time the fund is created. It is the job of MCCF to ensure that the donor's criteria is met by each applicant being evaluated.

Visit madisonccf.org/scholarships to access the scholarship portal. Create an account, complete the universal application to see the scholarships for which you are eligible.

Complete the supplemental requirements such as: essay, financial documentation, recommendation forms, etc.

All information must be received by the deadline to submit your application.

You will be notified via email if you've been selected as a recipient. You will be honored at your senior awards program. Payments will be sent directly to schools in July.

FINANCIAL NEED WORKSHEET

Many MCCF administered scholarships have a financial need component. Applicants applying for scholarships that have a financial-need component are required to complete a financial need form within the application. Please use this Financial Need Worksheet to determine what information you will need to complete applications with financial need requirements.
